

Mr. Christopher Gasson
Publisher
Global Water Intelligence
cg@globalwaterintel.com

Christopher Gasson is publisher of Global Water Intelligence and a partner in Amane Advisors. At Global Water Intelligence he has been responsible for publishing the IDA Desalination Yearbook, DesalData, Water Desalination Report, and the Desalination Markets series of industry reports. More recently the business has expanded into the industrial water market with the acquisition of Ulltra Pure Water Journal and a partnership with the Produced Water Society. Amane Advisors is a consultancy business based in Paris. Christopher has a degree from Oxford University in Politics, Philosophy, and Economics.
